VIDEOS:

WINTER STOCKING OF TROUT

WATCH as CPW staff perform the winter stocking of 16,000 trout at Eleven Mile Reservoir. Since 2007, we've planted more than 740,000 trout in Eleven Mile and Spinney Mountain reservoirs.

FISHING WITH SALMON FLIES

GET THE TIPS AND TECHNIQUES for successful fly-fishing using salmon flies on the Colorado River.

COLORADO FISH HATCHERIES

SEE HOW CPW continues its long history of conserving Colorado's fish populations, while also monitoring and protecting the health of all the state's aquatic wildlife and water systems.

THE FUTURE OF CONSERVATION

LEARN HOW your license dollars contribute directly to the conservation of wildlife species and outdoor recreation in Colorado.

TABLE OF CONTENTS

Licenses and Information 1

- 2017 What's New; license fees; season dates; fishing information resources; Habitat Stamp

Reference 2-9

- Gear: what you need to start fishing 2
- Bag and possession limits 3
- State records 4
- How to measure your catch 4
- Illegal stocking 5
- License, residency and disability requirements 5
- Special conditions and restrictions 6
- Legal fishing methods; glossary of fishing terms 7
- Fishery programs 8
- Aquatic nuisance species; information for boaters; how to clean waders and gear 9

Regulations 10-35

Good Places To:

- Take kids fishing 13
- Fish for kokanee 21
- Ice fish in January 23

Maps

- Wiper/white bass & walleye/saugeye limits 3
- Upper Arkansas River 11
- Blue River Basin 12
- Middle Colorado and Eagle rivers 14
- Upper Colorado River: Headwaters to Radium 15
- Conejos and Alamosa river drainages 17
- Lower Colorado River and Grand Mesa 19
- Upper Poudre River Drainage 24
- Upper Rio Grande Basin 26
- Middle Colorado and Roaring Fork rivers 27
- South Platte River: Cheesman to Chatfield 28
- South Platte River: South Park 29
- White River: Headwaters to Meeker 32
- White River: Meeker to Utah state line 33
- Yampa River: Headwaters to Craig 35

COLORADO FISHING ATLAS

cpw.state.co.us/fish/fishingatlas

Get started on your next fishing adventure by using CPW's interactive mapping tool! Find new fishing opportunities in the state by searching for species or proximity to your home. Click the map or link to go straight to the atlas:

Fly Fisherman at Clear Creek
© Wayne Lewis, CPW

2017

WHAT'S NEW

» WATER-SPECIFIC REGULATIONS

ADDED... New regulations have been added for Herman Gulch in Clear Creek County and Rock Creek in Park County. See *Special Regulations for Fishing Waters*, pages 10–35.

The restocking of native greenback cutthroat trout into Herman Gulch and Rock Creek by CPW has been successful, aiding in the effort to reintroduce this native species to the Upper South Platte River Basin. Both waters will soon have established self-sustaining conservation populations.

Due to the low number of existing greenback cutthroat populations on the landscape, CPW wants the fish in Herman Gulch and Rock Creek to receive additional protection with catch-and-release and flies-and-lures-only regulations. See *blue box on page 16 for more details about native cutthroat trout protection*.

» GOLD MEDAL WATER ADDITIONS...

Gold Medal waters for Blue River now

go from Dillon Reservoir to Hamilton Creek Road bridge, as well as from Green Mountain Reservoir dam to Colorado River (see pages 8 and 12).

Gold Medal waters for Colorado River now go from Canyon Creek to Rock Creek, as well as from Fraser River to Troublesome Creek (see pages 8 and 14).

» NEW BOATING REGULATIONS TO HELP CONTAIN AQUATIC NUISANCE SPECIES...

It is the responsibility of the vessel or other floating device operator to clean, drain water from all compartments and motors/engines in between launches and dry the vessel or other floating device in between launches.

Upon removal of a vessel or other floating device from waters of the state, and before leaving the boat launch or parking area, the operator is required to remove aquatic plants and water drain plug(s). It is prohibited to transport a vessel or other floating device over land with aquatic plants or water drain plugs in place.

» | HABITAT STAMP INFORMATION

1. Anyone 18–64 **MUST** purchase a stamp in order to buy or apply for a hunting or fishing license (including preference points).

2. Stamps are \$10 and are nonrefundable. Only one is required per person per year, valid April 1–March 31. A lifetime stamp is \$300.25.

3. EXEMPTIONS: Anyone with a free lifetime fishing license, a veteran's lifetime combination small-game hunting and fishing license, or those approved for the Big-Game Mobility Impaired Hunting Program are exempt. See cpw.state.co.us/fish/accessibility for details about those programs.

FISHING INFORMATION RESOURCES

» FISHING CONDITIONS

• cpw.state.co.us/FishingConditions

Fishing and stocking reports are generated weekly April 1–Oct. 31, and twice a month Nov. 1–March 31. Sign up to receive the reports at:

• cpw.state.co.us/SignUp/FishingReport
• cpw.state.co.us/FishStocking

» BOAT REGISTRATION

• cpw.state.co.us/BoatingRegistration

» REPORT OIL SPILLS

To report an oil or chemical spill in the water, call the 24-hour hotline at Colorado Department of Public Health and Environment, 1-877-518-5608.

EATING YOUR CATCH? CHECK ONLINE HEALTH ADVISORIES

Colorado Parks and Wildlife encourages Colorado residents to go fishing and enjoy eating the fish they catch. Keep in mind that not all fish should be eaten in unlimited amounts. Fish are an important part of a healthy diet. They are a lean, low-calorie source of protein and nutrients. However, some fish meat may contain chemicals that could pose health risks. The Colorado Department of Public Health and Environment, in cooperation with CPW, test fish throughout the state for the presence of certain contaminants (such as mercury, arsenic and selenium) that may be present in some fish.

Current advisories are online at: colorado.gov/cdphe/wq-fish-consumption

LICENSE FEES

**ANNUAL LICENSES ARE VALID
APRIL 1, 2017–MARCH 31, 2018**

GET YOUR LICENSE:

- » Online: cpw.state.co.us/fish/buyapply 
- » By phone: 1-800-244-5613
- » In person: CPW offices, state parks, license agents

HABITAT STAMP

FEE

- » 2017 Habitat Stamp (nonrefundable) **\$10**
Required for residents and nonresidents, ages 18–64. Add this to license fees below if you have not yet purchased a 2017 Habitat Stamp.
- » Lifetime Habitat Stamp **\$300.25**

LICENSES

FEE

RESIDENTS

- » Adult annual (ages 16–63) **\$26**
- » Senior annual (64 and older) **\$1**
For senior lifetime low-income licenses, see page 5.
- » Small Game & Fishing combo **\$41**

NONRESIDENTS

- » Annual **\$56**
- » Five-day **\$21**

YOUTH

- » Resident and nonresident younger than age 16 (second-rod charge still applies) **FREE**

RESIDENTS & NONRESIDENTS

- » Second-rod stamp **\$5**
One second-rod stamp per year is available to anyone who has purchased a fishing license and any youth under 16 (see page 5).
- » One-day fishing **\$9**
- » Additional-day fishing **\$5**
Customers buying a one-day or additional-day license are exempt from the Habitat Stamp fee with the first two of these licenses. The habitat fee will be assessed when a third license of this type is purchased.

Prices include 25-cent search-and-rescue fee and 75-cent surcharge for the Wildlife Management Education Fund.

WHAT YOU NEED TO BUY A LICENSE

1. Current and valid photo ID
2. For residents, proof of residency (see page 5)
3. Habitat Stamp (see at left)
4. A Social Security number is required for new customers ages 16 and older (age 12 for a second-rod stamp)

Licenses are nontransferable. False statements made while buying a license render it void. Lost or destroyed licenses can be replaced by filling out an affidavit and paying a fee. See "License Requirements" on page 5.

SEASON DATES

Colorado waters are open to taking fish, amphibians and crustaceans day and night, year round, except if otherwise stated in the regulation section of this brochure. See pages 10–35.

FREE FISHING DAYS

Residents and nonresidents can fish without a license or Habitat Stamp on June 3–4, 2017. All other rules and regulations apply.

HOW TO GET STARTED FISHING

GEAR, KNOTS, TIPS FOR BEGINNERS OF ALL AGES

Fishing is a great lifetime activity and a fun way for families to spend time together outdoors. Getting started isn't complicated. Follow our basic equipment guide and you'll be hooked before you know it!

1. PICK YOUR ROD & REEL

A closed-face spincast rod and reel are great for learning how to fish.

2. CHOOSE YOUR BAIT

Different species of fish have different appetites. Choose your bait based on what kind of fish are in the lake and what you are trying to catch. Look at the list of waters in this brochure for any additional bait restrictions.

TROUT

- » Powerbait
- » Lures
- » Flies
- » Salmon eggs
- » Worms
- » Jigs

CATFISH

- » Stinkbait
- » Worms

BASS

- » Jigs
- » Worms

SUNFISH & CRAPPIE

- » Jigs
- » Worms
- » Mealworms

3. GET YOUR GEAR ON

You need just a few basic items to get started fishing. The fun part is adding to your gear collection as you progress!

- » Fishing line, 4- to 8-lb. test

- » Bobbers

- » Hooks, #8 or #10

- » Swivels, #10

- » Sinkers, 1/8 oz.

- » Hemostats or needle-nose pliers

These help you dislodge hooks and grip line while tying knots.

4. KNOW YOUR KNOT

There are lots of fishing knots. The Improved Clinch Knot is a good, basic knot to get you started.

» Thread the line through eye of the hook. Double back and make five or more turns around the line.

» Bring the end of line back through the first loop formed behind the eye. Then go through the big loop.

» Wet knot and pull the tag end to tighten down the coils. Slide it tight against the eye, clip excess.

PUTTING IT TOGETHER:

clinch knot

swivel

sinker

snelled line and hook combo

or: use clinch knots to tie line to swivel and the hook to the other end of the line

5. PICK YOUR SPOT

Where should you go? You can find your perfect fishing hole by using the Colorado Fishing Atlas.

cpw.state.co.us/fish/fishingatlas

Special fishing regulations also included.

5 EASY STEPS TO ADD YOUR EMAIL ADDRESS:

1. Log on to the CPW licensing system: co.wildlifelicenses.com
2. Click "Start Now"
3. Enter your account information
4. Verify your contact information and add your email address
5. Click "Update Address Only"

The CPW Call Center can also assist you: 303-291-1192

Are you catching our emails?

If not, you're missing out on fishing conditions, tips, news and upcoming events, as well as regulation updates.

STATEWIDE BAG AND POSSESSION LIMITS

READING THE LIMITS CHART

Statewide limits for species are listed in the chart to the right. Species not on this chart have no bag or possession limits or are restricted or illegal to take. See "Special Conditions and Restrictions," page 6.

Some waters have more restrictive limits than what is listed on the chart. See "Special Regulations for Fishing Waters," pages 10-35, for the area you plan to fish to learn more about specific waters. If a water is not on the list or no bag limit is specified, these statewide limits apply.

FISHING IN STATE PARKS AND NATIONAL PARKS

Fishing is available at most of Colorado's state parks. If you plan a fishing trip to these waters, check the CPW Park Finder for any additional entrance fees and restrictions that may apply where you're going: cpw.state.co.us/fish/parkfinder

National parks also offer fishing opportunities around the state, but may have different bag limits and regulations. One example of this is at Rocky Mountain National Park.

There, you will need a CPW fishing license but restrictions will be specific to the park. Before you plan your trip, check regulations online at: www.nps.gov/romo/planyour-visit/fishing.htm

DAILY BAG LIMIT

Maximum number of fish you can take in a day, regardless of what you do with them that day.

- » Fish caught and placed on a stringer, in a container or live well, or not returned to the same water immediately count in your daily bag or possession limit.
- » Fish released immediately are not part of the limit.

POSSESSION LIMIT

Maximum number of fish allowed at any time, including in the field, transporting, at home or in storage. Transporting live fish without proper permits is prohibited.

- » Fish taken and later smoked, canned, frozen or preserved for consumption are part of the possession limit until consumed.

MAP: WIPER/WHITE BASS AND WALLEYE/SAUGEYE BAG LIMITS

The map below outlines the general areas of the Arkansas and South Republican River drainages (green) and the South Platte and North Republican drainages (yellow). If you are fishing for wiper, white bass, walleye or saugeye in these areas, the daily bag and possession limits are different for the two areas on the map. See the "Statewide Limits" chart at right for details.

STATEWIDE LIMITS

Type of fish	Daily bag limit	Possession limit
TROUT, ARCTIC CHAR, GRAYLING, SALMON (except kokanee) <i>in aggregate*</i>	4	8
<i>Trout include brook, brown, cutbow, cutthroat, golden, lake, rainbow, splake and tiger trout</i>		
BROOK TROUT 8 inches long or less (in addition to trout limit above)	10	10
KOKANEEL SALMON angling, snagging or archery	10	10
WALLEYE, SAUGEYE, SAUGER Statewide, in aggregate*	5	5
<i>On Arkansas and South Fork of Republican River drainages, in aggregate*</i>		
	10	10
BASS: LARGEMOUTH, SMALLMOUTH, SPOTTED <i>in aggregate*</i>	5	5
<i>West of Continental Divide for Smallmouth only</i>		
	unlimited	unlimited
BASS: WHITE, STRIPED, WIPER statewide, in aggregate*	10	10
<i>On Arkansas and South Fork of Republican River drainages, in aggregate*</i>		
	20	20
CATFISH: CHANNEL, FLATHEAD, BLUE <i>in aggregate*</i>	10	10
CRAPPIE: WHITE, BLACK <i>in aggregate*</i>	20	20
BLUEGILL, HYBRID BLUEGILL, GREEN SUNFISH, REDEAR SUNFISH, PUMPKINSEED SUNFISH <i>in aggregate*</i>	20	20
YELLOW PERCH <i>West of Continental Divide</i>	unlimited	unlimited
<i>East of Continental Divide</i>	20	20
TIGER MUSKIE <i>at least 36 inches long</i>	1	1
NORTHERN PIKE, WHITEFISH, BULLHEAD	unlimited	unlimited
SPECKLED DACE, SCULPIN <i>West of Continental Divide</i>	20	20
<i>East of Continental Divide</i>	unlimited	unlimited
CRAYFISH (crawdads), BULLFROGS	unlimited	unlimited
AQUATIC TIGER SALAMANDER LARVAE (gilled and less than 5 inches long)	50	50

* *in aggregate* means the limit may consist of one species or a mixed bag of more than one species.

SEE "SPECIAL REGULATIONS FOR FISHING WATERS" SECTION FOR WATERS WITH MORE RESTRICTIVE LIMITS. PAGES 10-35.

STATE RECORDS BY WEIGHT

	SPECIES	YEAR	LOCATION <i>and county</i>	WEIGHT <i>lbs. - ozs.</i>	LENGTH <i>in inches</i>	ANGLER

STATE RECORDS PROGRAM

Colorado's original fishing record program, records by weight are tracked in 45 different species.

Potential record holders must have a valid Colorado fishing license or be younger than 16.

The fish must be weighed on a state-certified scale and a weight receipt must be signed by a person who witnessed the weighing. The fish, not frozen, gutted or altered in any way, must be examined and identified by a CPW biologist or wildlife manager, who will submit an application to the Sportfish Program Manager in Denver.

Records for the longest and heaviest fish caught can change any time. Current statistics can be found on the CPW website at cpw.state.co.us/fish/records.

An award program is also offered for catch-and-release anglers. Go to: cpw.state.co.us/fish/lengthrecords.

MEASURE YOUR CATCH

Measure your fish from the tip of the snout to the end of the tail. You may squeeze the tailfin together as shown in the bass (*illustrated in the first picture below*) to obtain a maximum length or you may tilt the tail down (*as seen in the lake trout at bottom*).

AWARD-QUALIFYING LENGTHS FOR CATCH & RELEASE

Species	length (inches)	Species	length (inches)
Arctic char.....	18	Lake trout.....	32
Black bullhead.....	14	Largemouth bass.....	18
Blue catfish.....	30	Northern pike.....	36
Bluegill.....	10	Pumpkinseed.....	8
Brook trout.....	16	Rainbow trout.....	24
Brown trout.....	22	Redear sunfish.....	12
Channel catfish.....	30	Saugeye.....	26
Common carp.....	30	Smallmouth bass.....	17
Crappie.....	15	Splake.....	20
Cutbow trout.....	22	Striped bass.....	28
Cutthroat trout.....	20	Tiger muskie.....	40
Golden trout.....	16	Walleye.....	26
Grass carp.....	30	White bass.....	17
Grayling.....	15	Wiper.....	25
Kokanee.....	20	Yellow perch.....	12

HELP IMPROVE YOUR FISHERIES

SOME FISH SPECIES ARE GOOD WHERE THEY BELONG, BUT IN THE WRONG BODY OF WATER THEY CAN RUIN A FISHERY:

• Biologists have stopped stocking fish in some lakes because illegally introduced fish eat most or all of the stocked fish. This wastes your license dollars.

• In the wrong place, some fish species change the whole ecology of the system, reducing the quality of fishing overall, and interfering with fishery management.

• Unlimited bag and possession limits are often established to aid in the management of species that were illegally stocked or are not desired.

• On waters that have no bag and possession limits on certain species, you are encouraged to *keep those fish*.

HERE ARE SOME WATERS WHERE YOU CAN KEEP ALL YOU CATCH OF CERTAIN SPECIES. THESE FISH ARE NUTRITIOUS AND DELICIOUS!

- » Crawford Reservoir: northern pike
- » Elkhead Reservoir: northern pike and smallmouth bass
- » Harvey Gap Reservoir: northern pike and smallmouth bass
- » Juniata Reservoir: smallmouth bass
- » Ridgway Reservoir: smallmouth bass
- » Rifle Gap Reservoir: northern pike and smallmouth bass
- » Stagecoach Reservoir: northern pike and walleye
- » Wolford Mountain Reservoir: northern pike

• Many other rivers and lakes on the west slope have no bag and possession limits for certain species. Check the Special Regulations on pages 10–35 of this brochure.

• Check online health advisories at: colorado.gov/cdphe/wq-fish-consumption

WHAT ELSE CAN YOU DO:

• Do not move fish from one body of water to another! Anyone caught moving fish illegally may be fined up to \$5,000, can lose hunting and fishing privileges and may be held liable for the costs of eradication or removal. Collection and transportation of wild-caught live bait is restricted in most of the state. Know these rules and follow them if you use live bait.

• Report illegal stocking activity to Operation Game Thief:

REPORT IT!

If you have information about illegal stocking activity, contact **OPERATION GAME THIEF**. You can remain anonymous and may be eligible for a reward. game.thief@state.co.us or call 1-877-265-6648

LICENSE REQUIREMENTS

1. ADULTS — People 16 and older are required to buy and carry with them a fishing license to fish or take fish, amphibians and crustaceans, except as prohibited.

2. YOUTH — Those under 16 can take a full bag and possession limit without a license. However, they must have a second-rod stamp if fishing with a second line.

3. SENIORS — Colorado residents 64 and older can obtain an annual fishing license from a CPW location or license agent for \$1, which is the 25-cent search and rescue fee and 75-cent Wildlife Management Education Fund surcharge. License must be carried while fishing. Seniors must have a second-rod stamp if fishing with a second line.

a. Free lifetime low-income fishing licenses also are available for Colorado residents 64 or older. For information and eligibility requirements, contact any CPW location.

4. SECOND-ROD STAMP — Anglers can use a second rod, hand line or tip-up by purchasing a second-rod stamp. One stamp is allowed per season and is nontransferable. A second-rod stamp does not entitle an angler to an additional bag limit nor can it be used for another person to fish.

a. Those with disability licenses must purchase a stamp if fishing with a second line.

b. A second-rod stamp is not required when only using trotlines or jugs.

c. Youths under 16 must have and carry with them a second-rod stamp if fishing with a second line.

d. Seniors fishing with a senior license must have a second-rod stamp if fishing with a second line.

5. COMMERCIAL LICENSE — \$40; required to take or possess bait fish, amphibians or crustaceans for commercial purposes. Applications are available at CPW locations. License holders must submit an annual report to CPW within 30 days of the license expiration date. Holders are required to provide live-fish buyers with a receipt stating the seller's name, date of sale, species and number sold.

6. CHILD SUPPORT DELINQUENCY — State law requires a Social Security number to buy a license. It is provided, if requested, to Child Support Enforcement authorities. Licenses are not issued to those suspended for noncompliance with child support. Current licenses are invalid if held by a person noncompliant with child support.

7. ARMED FORCES EXEMPTION — Colorado residents on active duty with U.S. armed forces out of state can fish free without a license while here on temporary leave, maximum of 30 days a year. You must carry official leave papers while fishing.

RESIDENCY QUALIFICATIONS

These are the requirements to qualify as a Colorado resident to buy a fishing or hunting license:

1. You must live in Colorado at least six consecutive months immediately before applying for or buying a license, and must intend to make Colorado home (except No. 3 and No. 4 below). The residence address you give to buy or apply for a license must be the same as on your Colorado income tax return. Licenses are valid only during Colorado residency.

2. A valid Colorado driver's license or secure and verifiable ID is proof of residency if it was issued at least six months prior to buying a fishing license. If your ID or driver's license was issued or renewed less than six months prior to purchasing a fishing license, you must provide documentation that proves you have been a resident for the required six-month period: cpw.state.co.us/SecureandVerifiableInfo

3. U.S. military personnel and military personnel of U.S. allies on active duty in Colorado under permanent orders and their dependents. This includes people who were Colorado residents when they entered the military and keep Colorado as their home of record, and their dependents (with Colorado as their home of record). Also included are personnel of the U.S. Diplomatic Service or diplomatic services of nations recognized by the U.S. assigned here on permanent active duty orders and their dependents. Active duty does not include reserve status, National Guard or government contractors.

4. Full-time students enrolled and attending an accredited Colorado college, university or trade school at least six months immediately before applying for or buying a license. This includes students who are temporarily absent from Colorado but still enrolled. Colorado residents who attend school full time, out of state and pay nonresident tuition qualify for a resident license.

5. Children under 18 have the same residency status as their parent, legal guardian or person with whom they live most of the time per court order.

6. If you have a home in Colorado and another state, call 303-297-1192 to make sure you comply with Colorado residency requirements before obtaining a hunting or fishing license.

7. Except as in No. 3 and No. 4 above, you lose your Colorado residency if you apply for, buy or accept a hunting or fishing license as a resident of another state or country; register to vote outside Colorado or get a driver's license using an address in another state.

DISABILITY LICENSES

You can obtain applications for disabled licenses on the CPW website or at CPW locations. Send them to 6060 Broadway, Denver, CO, 80216. Licenses are valid only during Colorado residency.

Those eligible for free licenses are:

1. U.S. armed forces members, active or retired, who are resident patients of a U.S. armed forces hospital or convalescent facility in Colorado.

2. Resident patients of a Veterans Affairs (VA) hospital or state mental institution or mental health institution.

3. Colorado residents who are totally and permanently disabled must provide either:

a. Documented proof that shows an entitlement date for Social Security disability benefits that began seven years ago or longer.

b. Or, a physician's statement attesting that the applicant is "totally and permanently disabled." All four words need to be stated on the letter from the physician on the physician's letterhead.

c. Or, a Colorado Division of Workers' Compensation Final Admission of Liability form indicating total and permanent disability.

4. Colorado residents who are disabled veterans or Purple Heart recipients can obtain a Lifetime Fishing/Small Game VA Combo License. To qualify, the following documentation must be provided:

a. Proof of a service-connected disability of 60 percent or more, as rated by the VA. An eligibility letter can be obtained from the VA by calling 1-800-827-1000.

b. Proof of hunter education if born on or after Jan. 1, 1949.

c. Purple Heart recipients who can provide documented proof are also eligible for a VA Combo License.

≡ | SPECIAL CONDITIONS AND RESTRICTIONS

1. CATCH AND RELEASE — Any fish released upon catch must be released alive and into the same body of water from which it was taken.

2. PROHIBITED FISHING METHODS INCLUDE — Chumming, using toxicants or poisons, stupefying substances, electrofishing.

3. PROHIBITED SPECIES — These species and their viable eggs are detrimental to other fish and habitat in Colorado. Unless authorized in writing by CPW for controlled and experimental purposes, it is illegal to export, import, transport, stock, sell or release: burbot, piranha, trahira, gar (all species), snakeheads or murrels, stickleback, walking catfish, tilapia, bowfin, rudd, zebra mussels, quagga mussels, New Zealand mudsnail, Eurasian ruffe, white perch, rusty crayfish, carp (silver, catla, Indian, bighead, giant barb, mrigal, largescale silver, rohu, black and mahseers), Asian swamp eel, green frog and gobies, fish hook fleas and spiny water fleas.

Any person who takes fish species listed above may possess them in unlimited number for personal use, as long as the fish are killed prior to transporting from the point where they were taken.

4. USE AND COLLECTION OF BAIT FISH —

- Except as otherwise noted in this brochure, in waters east of the Continental Divide and below 7,000 feet elevation, live fish collected for use as bait may only be used in the same body of water from which they were collected. In addition, collection and use is allowed in any man-made ditches and canals within one-half of a mile of the adjoining lake or reservoir. Use of any baitfish collected in those ditches and canals is restricted to only the water from which it was collected and the adjoining lake or reservoir. Baitfish collected under this provision may not be otherwise transported or stored for later use.
- The collection, use or possession of live fish for use as bait is prohibited in all waters east of the Continental Divide above 7,000 feet elevation and all waters west of the Continental Divide, except in Navajo Reservoir; collection, use or possession of live fish for bait is also prohibited in the Arkansas River above Parkdale (in Fremont and Chaffee counties) and in Watson Lake in Larimer County.
- In Baca, Bent, Crowley, Kiowa, Otero and Prowers counties, live fish collected for personal use as bait may be transported, stored or used anywhere within these counties. Transportation to, or use of, any such baitfish in any other county is prohibited.
- The only fish allowed to be taken for commercial use are minnows, gizzard shad, white and longnose suckers and carp. All live aquatic organisms from a commercial source and transported by anglers must at all times be accompanied by a receipt from the source. It is illegal to import any live native or non-native aquatic wildlife into Colorado without authorization from CPW or as stated in regulations.
- The only species allowed to be taken and used for consumption or used as bait (either alive or dead) by fishing, seining, netting, trapping or dipping are minnows, bluegill, hybrid bluegill, carp, sunfish, gizzard shad, sculpin, white and longnose suckers, yellow perch and rainbow smelt. Statewide bag limits apply to sunfish, bluegill, hybrid bluegills and yellow perch.
- The seining, netting, trapping and dipping of fish is prohibited statewide in all natural streams, springs, all waters in Adams, Arapahoe, Boulder, Broomfield, Clear Creek, Denver, Douglas,

THREATENED, ENDANGERED AND NONGAME SPECIES

If caught, these species must be returned to the water immediately. Except, taking greenback cutthroat trout is permitted in specific waters and with restrictions as listed in this brochure.

IT IS ILLEGAL TO TAKE OR USE THE FOLLOWING: Arkansas darter, bluehead sucker, bonytail chub, boreal toad, brassy minnow, Colorado pikeminnow, common shiner, flannelmouth sucker, flathead chub, greenback cutthroat trout, humpback chub, Iowa darter, lake chub, mollusks, mountain sucker, northern leopard frog, northern redbelly dace, plains leopard frog, plains minnow, plains topminnow, plains orangethroat darter, razorback sucker, Rio Grande chub, Rio Grande sucker, river shiner, round-tail chub, southern redbelly dace, stonecat, suckermouth minnow, wood frog and Woodhouse's toad.

Gilpin, Elbert, Jefferson and Park counties, and all public standing waters in Rio Grande, Sagua-che, Conejos, Costilla, Alamosa, Mineral and Hinsdale counties in the Rio Grande drainage. This does not apply to fish handled or produced at commercially licensed aquaculture facilities.

g. BULLFROGS AND SALAMANDERS — Bullfrogs and the aquatic gilled form of the tiger salamander for private and commercial use are permitted. Statewide bag limits apply. Bullfrogs can be taken by fishing, archery, hand, gigs and nets. Artificial light is allowed. Salamander larvae can be taken by fishing, hand, traps, seines or nets.

h. CRUSTACEANS — Take methods include by hand, baited lines, traps, pots, nets or seines for food or bait. Taking crustaceans, crayfish, with a commercial fishing license is allowed with the following restrictions: The minimum size is 3 inches for commercial food (measured from the tip of the acumen (bony spike between the eye) to the telson (last bony plate in the tail)); crayfish with eggs attached must be returned to the water immediately; all set pots and traps must be labeled with the user's CID or user's name if a CID is unavailable.

In all waters west of the Continental Divide all crayfish must be returned to the water of origin immediately or killed by separating the abdomen from the cephalothorax (tail from body) and taken into possession immediately upon catch.

i. MOLLUSKS — Taking mollusks for personal or commercial use as bait is prohibited.

5. ICE FISHING — The following rules apply to waters open for ice fishing:

- Ice-fishing holes cannot exceed 10 inches in diameter, or 10 inches on any side.
- All fires on the ice must be enclosed in a container.
- No litter allowed on the ice.
- Portable ice-fishing shelters (where permitted) must be removed at the end of the day.
- Permanent ice-fishing shelters (where permitted) must display the name and CID number of the owner or user on the outside of the shelter facing the shore. Writing must be in legible, contrasting color letters at least 2 inches high.

6. RELEASING TAGGED FISH — It is illegal to release tagged or marked fish, except for approved contests, into public waters. Tagged or marked fish can be released in public waters for scientific research with written application and approval by CPW at least 30 days before release.

7. DONATING FISH — You can donate edible parts of fish to like-license holders anywhere or to anyone at the recipient's home. Donor and recipient subject to bag and possession limits. A "like-license" is a Colorado fishing license.

8. TRANSPORTING, EXPORTING FISH — The license holder must accompany any species in this brochure, or parts of game fish, that are transported within or exported from Colorado. Wildlife

shipped by common carrier must be accompanied by license or photocopy of license and donation certificate, if needed.

9. ILLEGAL TAKE AND TRANSFER OF FISH — Only people designated by the U.S. Fish and Wildlife Service may take fish, amphibians, mollusks or crustaceans within the boundaries of any Federal fish hatchery or rearing unit.

a. Molesting, disturbing or damaging gill nets, traps or seines set by CPW is prohibited.

10. EMERGENCY CLOSURE OF FISHING

WATERS — Emergency closure of waters may be authorized for up to nine months when environmental conditions in these waters warrant and fishing could result in unacceptable levels of fish mortality. Public notice will be given if waters are closed and notice will be posted at the site. Closures may occur when any of these criteria are met:

- Daily max. water temperatures exceed 74° F, or the daily average temperature exceeds 72° F.
- Measured stream flows are 25 percent or less of the historical average low flow for the period.
- Fungus and other visible signs of deterioration may be present.
- Daily minimum dissolved oxygen levels are below five parts per million (ppm).
- When environmental events such as wildfires, mudslides, oil spills or similar events have occurred, resulting in the need for recovery time or remedial action for a fish population.

11. PROTECTED WATERS — Fishing may be prohibited as posted to protect: threatened or endangered species, spawning areas, waters used in CPW research projects, newly acquired access to fishing waters and the integrity of aquatic wildlife.

12. EMERGENCY PUBLIC SALVAGE — If substantial numbers of fish are in imminent danger of being lost, CPW can allow licensed anglers to take fish during daylight hours. Public notice will be given and notice will be posted at the site regarding the catch limit and approved fishing methods.

13. FISHING CONTESTS — Fishing contests cannot be advertised, promoted or conducted without CPW approval if the purpose is to take marked or tagged fish released in waters open to public fishing. Applications and a \$40 nonrefundable fee must be made 60 days before the contest. Written approval must be obtained from landowners or agencies before applying. Contests are not permitted on streams, rivers, other flowing water or Gold Medal Waters, or commercial or private lakes licensed by CPW. All standard fishing regulations apply.

Contests for tagged or marked trout will be permitted only on waters greater than 200 surface acres and managed as a catchable fishery. Public fishing areas will remain open during a contest, regardless of contest fees. Sponsors shall document the number of participants, average time spent fishing and estimated total catch by species in a written report for CPW within 20 days of the contest end.

≡ | GLOSSARY OF FISHING TERMS

» **ARTIFICIAL FLIES AND LURES** means devices made entirely of, or a combination of, natural or synthetic nonedible, nonscented (regardless if the scent is added in the manufacturing process or applied afterward), or materials such as wood, plastic, silicone, rubber, epoxy, glass, hair, metal, feathers or fiber, designed to attract fish. This does not include anything defined as bait below.

» **BAIT** means any hand-moldable material designed to attract fish by the sense of taste or smell; those devices to which scents or smell attractants have been added or externally applied (regardless if the scent is added in the manufacturing process or applied afterward); scented manufactured fish eggs and traditional organic baits, including but not limited to worms, grubs, crickets, leeches, dough baits or stink baits, insects, crayfish, human food, fish, fish parts or fish eggs.

» **CHUMMING** is placing fish, parts of fish or other feeding material in the waters for the purpose of attracting fish to a particular area in order that they might be taken. This does not include fishing with baited hooks or live traps.

» **COMMON HOOK** is any hook or multiple hooks having a common shank. All hooks attached to a manufactured artificial lure shall be considered a common hook.

» **FISHING** is defined as efforts to take fish, amphibians or crustaceans, including by hook and line, handline, trotline, jug, seine, net, underwater spearfishing, archery, snagging or gigging.

» **FLOAT TUBE** means a floating device which suspends a single occupant in the water from the seat down and is not propelled by oars, paddles or motors.

» **GAME FISH** means all species of fish except unregulated species, prohibited nongame, endangered and threatened species, which currently exist or may be introduced into the state and which are classified as game fish by the Parks and Wildlife Commission. This includes, but is not limited to brown, brook, cutthroat, golden, lake (Mackinaw), and rainbow trout; cutbow (rainbow/cutthroat hybrids), splake (lake trout/brook trout hybrids) and tiger trout (brown/brook trout hybrids); Arctic char; grayling; kokanee salmon; whitefish; sculpin; smallmouth, largemouth, spotted, striped and white bass; wipers (striped bass/white bass hybrids);

carp; bullhead, blue, channel and flathead catfish; black and white crappie; drum; northern pike; tiger muskie; Sacramento and yellow perch; sauger; saugeye (walleye/sauger hybrids); speckled dace; rainbow smelt; tench; walleye; bluegill; bluegill hybrids (bluegill/green sunfish); green, redear and pumpkinseed sunfish; gizzard shad; longnose and white suckers; and minnows.

» **GIG** is a barbed fork with one or more tines attached to a handle.

» **JUGS** means floats to which are attached a line and common hook.

» **MINNOW** means all members of the families of fish classified Cyprinidae (carp, chub, dace, goldfish, minnow, shiner, stoneroller and tench), Cyprinodontidae (killifish, topminnow) and Clupeidae (gizzard shad), except those designated as nongame, threatened or endangered, or those designated as nonregulated. *See page 6 and Chapter 10 and 11 of CPW regulations online.*

» **NATURAL STREAM** is one where water naturally flows regularly or intermittently for at least part of the year. Man-made ditches or other channels are not considered natural streams.

» **NET** means seine, dip net, gill net, cast net, trap net, hoop net or similar devices used to take or as an aid in taking fish, amphibians or crustaceans.

» **PERSONALLY ATTENDED LINE** means a rod and line, hand line or tip-up that is used for fishing and which is under the personal control of a person who is in proximity to it.

» **SIZE OR LENGTH** means the total length of a fish with head and tail attached measured from the tip of the snout to the tip of the tail.

» **SEINING** means the capture of live fish with the use of a net that hangs vertically in the water and is used to enclose fish when its ends are pulled together, or are drawn ashore.

» **SNAGGING** is the taking of fish by snatching with hooks, gang hooks, artificial flies or lures, or similar devices where the fish is hooked in a part of the body other than the mouth.

» **TROTLINE** is a single, anchored line with a float at each end from which droplines are attached.

≡ | LEGAL FISHING METHODS

1. ONE PERSONALLY ATTENDED LINE: Each line shall have only three common hooks attached.

2. TROT LINES

- Permitted only on these reservoirs (*as listed in this brochure*): Adobe Creek, Bonny, Henry, Horse Creek, John Martin, Meredith, Navajo, Nee Gronda, Nee Noshe, Nee So Pah, Queens (North and South), Thurston and Two Buttes.
- No one may use more than one trotline.
- Must be anchored, marked at each end by floats, be no longer than 150 feet with no more than 25 droplines, and shall be weighted to place the line at least 3 feet under water.
- Only three barbed hooks allowed on a common hook on each dropline.
- Must be tagged with the user's CID number and date set or user's name when CID is unavailable.
- All trotlines shall be personally checked at least once every 24-hour period.

3. JUGS

- Permitted only on these reservoirs (*as listed in this brochure*): Adobe Creek, Bonny, Henry, Horse Creek, John Martin, Meredith, Nee Gronda, Nee Noshe, Nee So Pah, Queens (North and South), Thurston and Two Buttes.
- Only 10 jugs are allowed for each license holder, each with only one single line and one common hook.
- Must be tagged with the user's CID number or name when CID is unavailable.
- Must be personally checked at least once an hour.

4. UNDERWATER SPEARFISHING, ARCHERY AND GIGS

Bow anglers are advised to reference the current State Recreation Lands brochure for more regulations on waters that allow archery fishing.

- Underwater spearfishing, archery and gigs may be used statewide for the taking of carp and northern pike, except as prohibited by these regulations or land management agencies.
 - East of the Continental Divide, gizzard shad and white or long-nose suckers may also be taken, unless otherwise prohibited in *"Special Regulations for Fishing Waters," pages 10–35*. Other fish may be taken when authorized for specific waters in the regulation section.
- Archery may be used to take kokanee if a water is otherwise open to snagging. In such cases, the following applies:
 - Bows must have reel, fishing line and arrow attached to bow.
 - Bows must have arrow safety-slide mechanism that keeps fishing line in front of the arrow at all times.
- Additional restrictions apply to underwater spearfishing:
 - CO2 guns or cartridge-powered spears are prohibited.
 - Guns must be loaded and unloaded while the gun is submerged.
 - Divers must stay within a radius of 100 feet of a float bearing the National Divers' Symbol.
 - Spears must be attached by a safety line.
- Archery and gigs are allowed for taking bullfrogs.

5. SNAGGING is permitted for taking kokanee salmon only, on specific waters listed in this brochure. Other species snagged must be returned to the water immediately.

6. SEINES AND CAST-NETS

- Seines are allowed only for bait fish, gilled form of aquatic tiger salamander larvae and crayfish; or if authorized for emergency salvage. *See "Special Conditions and Restrictions," page 6.*
- Seines must be made of a quarter-inch or less nonmetallic square mesh.
- Seines cannot exceed 20 feet long and 4 feet in depth.

7. BY HAND OR WITH DIP NETS

- Allowed for bullfrogs, crayfish and the gilled form of aquatic tiger salamander larvae.
- Fish may be taken by these means or others approved by CPW for emergency salvage.
- Hand-held dip nets may be used for taking bait fish according to restrictions. *See "Use and Collection of Bait Fish," page 6.*

8. LIVETRAPS Cage or box traps, including set pots, shall be used only for the taking of crayfish, snapping turtles and fish captured as bait fish or for personal consumption. Traps must be tagged with the user's CID number or name when CID is unavailable.

9. ARTIFICIAL LIGHT may be used as a fishing aid.

10. BAIT may be used where permitted as fishing aid, except by chumming.

FISHERY PROGRAMS

STREAM SURVEYS HELP BIOLOGISTS MANAGE FISHING

© CPW

Colorado Parks and Wildlife is the state agency responsible for fisheries management of public waters in Colorado.

The primary tool that guides fish management is the lake and stream survey. These surveys periodically monitor fish populations.

During the process, fish are collected using a variety of gear and the necessary biological data is recorded.

This gauges the entire fish community rather than a single species.

The collected data is used to track fish population trends, evaluate the effectiveness of management actions such as stocking and regulations, and establish realistic management goals for a given lake or stream.

The fisheries section of CPW conducts hundreds of lake and stream surveys each year.

High-priority and brood waters such as Chatfield, Pueblo and Horsetooth reservoirs and the Gunnison River are surveyed annually. Smaller, more remote, or lightly used lakes or streams may only be surveyed once every 5–10 years.

Most of the survey fieldwork takes place from early June through late September; however, many areas also conduct more specialized sampling beginning right after ice-out and again in the fall prior to freeze-up.

More about how fishery biologists sample fish: cpw.state.co.us/fish/management

Fishery data for some of your favorite Colorado waters: cpw.state.co.us/fish/fisherydata

GOLD MEDAL WATERS

Gold Medal Waters are the highest quality cold-water habitats and have the capability to produce many quality size (14 inches or longer) trout.

CPW has established criteria and management guidelines to support the public interest in angling, observing and protecting these significant cold-water fishery resources.

Gold Medal Waters are defined as any river or lake which is producing a standing stock of at least 60 pounds per acre, and at least 12 trout that are 14 inches or longer per acre on a sustained basis.

River segments designated as Gold Medal Trout Waters must be a minimum of 2 miles in length and lakes must be a minimum of 50 acres.

The following lakes and streams in Colorado offer the greatest potential for trophy trout fishing:

GOLD MEDAL STREAMS

ANIMAS RIVER: From Lightner Creek to Rivera Crossing bridge.

ARKANSAS RIVER: From the confluence with the Lake Fork of the Arkansas, near Leadville, downstream to Parkdale at the Hwy. 50 bridge crossing above the Royal Gorge.

NEW! BLUE RIVER: From Dillon Reservoir dam to **Hamilton Creek Road bridge**; also from Green Mountain Reservoir dam to Colorado River.

NEW! COLORADO RIVER: From Fraser River to Troublesome Creek, and from **Canyon Creek to Rock Creek**.

FRYINGPAN RIVER: From Ruedi Reservoir dam to the Roaring Fork River.

GORE CREEK: From Red Sandstone Creek to Eagle River.

GUNNISON RIVER: From 200 yards downstream of Crystal Reservoir dam to the North Fork of the Gunnison.

NORTH PLATTE RIVER: From south boundary of Routt National Forest to Wyoming (Northgate Canyon).

RIO GRANDE: From Hwy. 149 bridge at South Fork downstream to Rio Grande canal diversion structure.

ROARING FORK RIVER: From the Fryingpan River to the Colorado River.

SOUTH PLATTE RIVER:

- » From the confluence of the middle and south forks to Spinney Mountain Reservoir inlet
- » From Spinney Mountain Reservoir outlet to Eleven Mile Reservoir inlet
- » From Cheesman Reservoir dam to the south boundary of the Wigwam Club property
- » From the north boundary of Wigwam Club property to Scraggy View picnic ground
- » Middle fork, from the Hwy. 9 bridge to the south fork confluence

GOLD MEDAL LAKES

NORTH DELANEY BUTTE LAKE in Jackson County

SPINNEY MOUNTAIN RESERVOIR in Park County

STEAMBOAT LAKE in Routt County

MASTER ANGLER PROGRAM

The CPW Master Angler Award Program recognizes anglers who catch fish of trophy size and promote conservation.

There are two categories: fish that are kept and fish released. Awards are based on fish length, so fish can be measured and released.

To promote responsible conservation of fishery resources, CPW will recognize qualifying length northern pike and smallmouth bass caught in waters west of the Continental Divide in the "Kept Fish" category only.

Anglers who catch a fish of qualifying length receive a Master Angler certificate and patch. Those who achieve record status also receive a matching lapel pin.

Anglers can win multiple certificates but only one patch per year.

Only fish caught in Colorado are eligible. Entrants must have hooked, played, landed or released the fish. Snagged fish are ineligible. Fish length is measured from the jaw tip to tail tip.

Entries must be submitted within 60 days of catch. A clear, side-view photograph of the fish must accompany entries with one witness verification. Two witnesses are required for entries without photos.

For an entry form, contact the Master Angler Award Program, Colorado Parks and Wildlife, 6060 Broadway, Denver, CO 80216, or go to cpw.state.co.us/fish/masterangler.

WILD TROUT PROGRAM

CPW is responsible for the preservation and protection of native and non-native wild trout populations.

Most mountain streams and some high lakes in Colorado support populations of wild trout.

These resources are important to the integrity of Colorado's trout fisheries; as an indicator of properly functioning aquatic ecosystems; and for their intrinsic value to those seeking a unique, aesthetic and significant fishery resource.

To assure the continuation and availability of wild self-sustaining trout populations the Parks and Wildlife Commission has established specific management guidelines for those aquatic habitats which support all life stages of trout.

These waters are to be managed to the extent possible to maintain these wild trout populations.

G This "G" next to a body of water on pages 10–35 signifies that as a Gold Medal Water.

WILD TROUT & GOLD MEDAL WATERS POLICY cpw.state.co.us/fish/gold-medal-policy

AQUATIC NUISANCE SPECIES

DON'T LET INVASIVE SPECIES RUIN YOUR FAVORITE FISHING SPOT

Aquatic Nuisance Species (ANS) are a significant and rapidly growing threat to Colorado's fisheries and water supplies. ANS are invasive animals, plants and diseases that are not native to our rivers, lakes, streams and wetlands. Once introduced, most ANS cannot be eradicated and cost millions to manage. Preventing the introduction and spread of ANS is critical to maintaining our fisheries.

Threats to Colorado's aquatic ecosystem and fisheries include zebra and quagga mussels, New Zealand mudsnails, whirling disease, viral hemorrhagic septicemia (VHS) and Eurasian watermilfoil. Help CPW combat these invasive species and prevent new ANS from entering our state by following these guidelines:

1. Remove all plants, animals or mud and thoroughly wash boats, trailers, waders and equipment that have come in contact with the water before leaving a lake or stream.
2. Drain any space or item that could hold water, including live wells, bait containers, bilge, ballast tanks, storage areas, engine cooling systems or any other place on boats or equipment that might hold water.
3. Allow boats, engines, boots and gear to dry completely before moving to other waters.
4. If draining and drying are not possible, wash boats, trailers and equipment carefully and completely with high-pressure hot water (140 degrees F). Stop by the CPW office in Denver (6060 Broadway, Denver, CO 80216) Monday–Friday for a free professional ANS inspection or decontamination. Check the CPW website for hours of operation.
5. Don't move or transport fish between water bodies. This can spread diseases and nuisance species.
6. Don't dispose of fish entrails or other byproducts into any body of water.

REPORT IT!

If you find what you think is an invasive species on your boat or in a water body, report it to CPW by emailing: ReportANS@state.co.us Or call: 303-291-7295

© CPW

Zebra mussels are just one example of aquatic nuisance species that can ruin fishing waters.

MORE ON INVASIVE SPECIES: cpw.state.co.us/Invasive-Species

ATTENTION BOATERS

ANS can hitchhike on boats and gear, being introduced into new waters accidentally. Inspect your boat between uses and make sure it is clean, drained and dry.

Colorado has a mandatory boat-inspection program. Your boat must be inspected if:

1. The boat has been in any water that is positive or suspect for ANS.
2. The boat has been in any water body outside of Colorado.
3. The boat will enter any water where inspections are required.

STOP AQUATIC HITCHHIKERS!

on hours of operation, ramp closures, fees and reservoir-specific boating policies: cpw.state.co.us/fish/boatinspections

RUSTY CRAYFISH: AGGRESSIVE AND OPPORTUNISTIC

Learn how to help stop the spread of rusty crayfish at: cpw.state.co.us/RustyCrayfish

Crayfish are not native to parts of Colorado, yet they have become established in many waters throughout the state.

Rusty crayfish endanger aquatic native species and sportfish by:

- » **PREYING** on all life stages of fish, amphibians and invertebrates and other species of crayfish
- » **COMPETING** aggressively for habitat and food
- » **DESTROYING** productive habitat in our streams, ponds and lakes

Crayfish can be taken for personal consumption, but care should be taken with their use and disposal.

- » Even though crayfish can be taken live east of the Continental Divide, it is recommended that tails of all crayfish be removed immediately and packed in ice for transport.
- » Do not throw unused bait crayfish, or bait of any kind, back in the water alive.

LIVE TRANSPORT PROHIBITED

FROM WATERS WEST OF THE CONTINENTAL DIVIDE All crayfish caught west of the Continental Divide must be immediately killed (by removing the head from the thorax) and taken into possession, or immediately returned to the water from which they were taken.

AT SANCHEZ RESERVOIR SWA Rusty crayfish have been discovered at Sanchez Reservoir State Wildlife Area (SWA) in Costilla County. To prevent their spread within and beyond this area, a CPW order prevents the transport of any live crayfish from Sanchez Reservoir SWA.

SPECIAL REGULATIONS FOR FISHING WATERS

G = Gold Medal Waters that offer the greatest potential for trophy trout fishing. See page 8 for details.

RED WATER NAMES = Waters listed in red alert you that regulations for that water have changed since last year, or that the waters are newly added to this brochure.

THE FOLLOWING WATERS AND CPW PROPERTIES HAVE MORE RESTRICTIVE FISHING REGULATIONS THAN STANDARD BAG AND POSSESSION LIMITS, manner of take, fishing hours, etc.

If a specific water doesn't appear in this list, statewide regulations (page 3) apply.

ATTENTION! This brochure includes fishing regulations. State wildlife areas have additional access and land regulations. If you plan to visit a SWA, you must consult CPW's State Recreation Lands brochure for specific property regulations.

Special regulations are designed to provide the best fishing and maintain the long-term welfare of fish. They include bag limits, size limits and harvest restrictions.

By reducing bag limits and requiring that certain fish be returned to the water, larger fish may result. While many streams and rivers support a daily bag and possession limit, anglers are asked to reduce their harvest by practicing voluntary, selective harvest.

ABRAMS CREEK - EAGLE

MAP: PAGE 14

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

ADAMS COUNTY FAIRGROUNDS LAKES (PUBLIC WORKS AND MANN-NYHOLT LAKES) - ADAMS

1. Min. size for largemouth and smallmouth bass is 15 inches long.

ADOBE CREEK RESERVOIR (BLUE LAKE) - BENT, KIOWA

1. Trotlines and jugs permitted.

AGNES LAKES (UPPER AND LOWER LAKES) - JACKSON

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

AKRON CITY LAKE - WASHINGTON

1. Min. size for largemouth and smallmouth bass is 15 inches long.

ALBERTA PARK RESERVOIR - MINERAL

MAP: PAGE 26

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

AMERICAN LAKES (SNOW AND MICHIGAN LAKES) - JACKSON

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

FISHING MAPS ARE ONLINE

PDFs of the maps in the brochure are available online. Store them on your smartphone for use in the field!

cpw.state.co.us/fish/maps

ANIMAS RIVER - LA PLATA

- G** FROM THE CONFLUENCE WITH LIGHTNER CREEK TO THE RIVERA CROSSING BRIDGE:
1. Artificial flies and lures only.
 2. Bag, possession and min. size for trout is 2, 16 inches long.

FROM THE CONFLUENCE WITH HERMOSA CREEK DOWNSTREAM TO THE STATE LINE:

1. No bag or possession limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch or crappie.

ANTELOPE CREEK, WEST - GUNNISON

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

ANTERO RESERVOIR - PARK

MAP: PAGE 29

NOTE: This reservoir remains closed until further notice. Please check CPW's website for possible opening dates.

1. Bag and possession limit for trout is 2.
2. Ice-fishing shelters must be portable.

APACHE CREEK, NORTH AND SOUTH FORKS - HUERFANO

FROM THE HEADWATERS DOWNSTREAM TO THE USFS BOUNDARY:

1. Fishing prohibited.

ARAPAHOE BEND NATURAL AREA (BASS, BEAVER, CORMORANT AND SNAPPER PONDS) - LARIMER

1. Min. size for largemouth and smallmouth bass is 15 inches long.

ARAPAHOE CREEK - GRAND

MAP: PAGE 15

FROM MONARCH LAKE DOWNSTREAM TO USFS RD. 125:

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

ARCHULETA CREEK - SAGUACHE

WITHIN THE COCHETOPA STATE WILDLIFE AREA (SNYDER RANCH) DOWNSTREAM FROM DOME LAKES STATE WILDLIFE AREA:

1. Artificial flies and lures only.
2. Trout must be returned to water immediately.

ARKANSAS RIVER - CHAFFEE, LAKE

MAP: PAGE 11

- G** FROM THE CONFLUENCE WITH THE LAKE FORK OF THE ARKANSAS DOWNSTREAM TO PARKDALE AT THE HWY. 50 BRIDGE CROSSING ABOVE THE ROYAL GORGE.

- G** FROM THE U.S. 24 RIVER OVERPASS DOWNSTREAM TO THE LOWER BOUNDARY OF THE HAYDEN RANCH, AS POSTED:

1. Artificial flies and lures only.
2. Bag, possession and max. size for trout is 1, 12 inches long.

ARKANSAS RIVER - CHAFFEE, FREMONT, PUEBLO

- G** FROM THE STOCKYARD BRIDGE (CHAFFEE CR 102) BELOW SALIDA DOWNSTREAM 7.5 MILES TO THE CONFLUENCE WITH BADGER CREEK:

1. Artificial flies and lures only.
2. Rainbow trout and cutbow must be returned to water immediately.

WITHIN THE PUEBLO RESERVOIR STATE WILDLIFE AREA:

1. Bag, possession and min. size for walleye and saugeye is 5 in the aggregate, 18 inches long.
2. Only 1 walleye or saugeye in the aggregate longer than 21 inches may be taken per day.

FROM THE BRIDGE AT VALCO PONDS DOWNSTREAM TO PUEBLO BLVD. (EXCEPT AT PUEBLO NATURE CENTER AS POSTED):

1. Artificial flies and lures only.
2. Trout longer than 16 inches must be returned to water immediately.

ARKANSAS RIVER, MIDDLE FORK OF THE SOUTH ARKANSAS - CHAFFEE

FROM THE HEADWATERS DOWNSTREAM TO BOSS LAKE:

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

AUGUSTORA CREEK - ARCHULETA

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

AURORA (SENAC) RESERVOIR - ARAPAHOE

1. Bag and possession limit for trout is 2.
2. Min. size for largemouth and smallmouth bass is 15 inches long.
3. Min. size for walleye is 18 inches long.
4. Only 1 walleye or saugeye in the aggregate longer than 21 inches may be taken per day.

BARD CREEK - CLEAR CREEK

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

BARKER RESERVOIR - BOULDER

1. Ice fishing prohibited.
2. Snagging kokanee permitted Oct. 1–Dec. 1.

BARR LAKE - ADAMS

1. Min. size for walleye and saugeye is 15 inches long.
2. Only 1 walleye or saugeye in the aggregate longer than 21 inches may be taken per day.

BEAR CREEK - CONEJOS

MAP: PAGE 17

FROM THE HEADWATERS DOWNSTREAM TO THE CONFLUENCE WITH THE CONEJOS RIVER:

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

BEAR CREEK - EL PASO

FROM THE HEADWATERS DOWNSTREAM TO GOLD CAMP ROAD:

1. Fishing prohibited.

BEAR CREEK - JEFFERSON

FROM THE BASE OF EVERGREEN LAKE DAM DOWNSTREAM TO BEAR CREEK RESERVOIR:

1. Artificial flies and lures only.
2. Bag and possession limit for trout (except rainbow and cutbow) is 2.
3. Rainbow trout and cutbow must be returned to water immediately.

BEAR CREEK - MONTEZUMA

FROM THE HEADWATERS DOWNSTREAM TO CONFLUENCE WITH THE DOLORES RIVER:

1. Artificial flies and lures only.
2. Bag and possession limit for trout is 2.

BEAR CREEK RESERVOIR - JEFFERSON

1. Min. size for walleye and saugeye is 15 inches long.
2. Only 1 walleye or saugeye in the aggregate longer than 21 inches may be taken per day.

BEAR RIVER - GARFIELD, ROUTT

MAP: PAGE 35

1. Bag limit for whitefish is 4.
2. Possession limit for whitefish is 8.

BEAVER CREEK - GARFIELD

MAP: PAGE 19

Cutthroat trout © CPW

CUTTHROAT TROUT: HOLDING ON TO A LEGACY

The rugged topography of the Rocky Mountain West has led to stream isolation and, in turn, the evolution of 14 recognized subspecies of cutthroat trout, making it the most diverse and wide-ranging trout species in North America.

The greenback, Colorado River and Rio Grande cutthroat trout still call Colorado home, but all three have endured dramatic reductions in their native ranges, primarily due to the introduction of non-native trout.

Rainbow trout hybridize with native cutthroat trout, while brook and brown trout tend to replace them in streams and rivers where they occur together.

All three cutthroat trout subspecies are either currently listed or have been petitioned to be listed under the Endangered Species Act as a result.

In an effort to preserve the legacy of these prized game fish, multiagency conservation teams have been established for each subspecies. Aquatic biologists on these teams use a variety of conservation measures to reclaim historic habitats and establish new populations.

PROTECTED CUTTHROAT WATERS

Various cutthroat waters, specifically those considered Cutthroat Conservation and Recreation Waters, are protected throughout the state.

In these waters, fishing is allowed by artificial flies and lures only, and all cutthroat trout must be returned to the water immediately upon catch.

These restrictions protect the growing number of cutthroat trout streams and lakes that are being included in conservation and recovery efforts.

CORRAL CREEK - SUMMIT

MAP: PAGE 12

1. Artificial flies and lures only.

STEAMBOAT LAKE - ROUTT

STEARNS LAKE - BOULDER

- 1. Min. size for largemouth and smallmouth bass is 15 inches long.

STEELMAN CREEK - GRAND

MAP: PAGE 15

- FROM HEADWATERS DOWNSTREAM TO THE DENVER WATER BOARD DIVERSION:
- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

STEBEN CREEK, WEST FORK - GUNNISON

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

SUMMIT RESERVOIR - MONTEZUMA

- 1. Min. size for largemouth bass is 15 inches long.

SWAMP LAKES - LAKE

MAP: PAGE 11

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

SWAN RIVER - SUMMIT

MAP: PAGE 12

- 1. Artificial flies and lures only.
- 2. Bag, possession and min. size for trout is 2, 16 inches long.

SWAN RIVER, NORTH FORK - SUMMIT

MAP: PAGE 12

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

SWEITZER LAKE - DELTA

- 1. All fish except carp must be returned to the water immediately.

SYLVAN LAKE - EAGLE

MAP: PAGE 14

- IN INLET AND UPSTREAM FOR 0.5 OF A MILE:
- 1. Fishing prohibited Sept. 1–Nov. 30.

TAMARACK RANCH POND - LOGAN

- 1. Min. size for largemouth and smallmouth bass is 15 inches long.

TARRYALL CREEK - PARK

- FOR THAT PORTION OF TARRYALL CREEK LOCATED ON THE CLINE RANCH STATE WILDLIFE AREA:
- 1. Artificial flies and lures only.
- 2. Bag and possession limit for trout is 2.
- 3. Fishing prohibited Oct. 1–last day of Feb.
- 4. Fishing access restricted to designated fishing areas (beats). Each fishing beat restricted to occupants of vehicle in parking stall assigned to that beat (determined by corresponding number). No more than 4 anglers per vehicle. Only 1 vehicle per stall.

White River - Headwaters to Meeker

Lake Regulations

Statewide regulations apply to all waters except:
Trappers Lake - Fly/Lure Only; 2 cutthroat limit, 11 inches maximum size; Fishing prohibited in inlets and upstream 1/2 mi.; Fishing prohibited within 100 ft. of either side of all inlet streams; Fishing prohibited within 100 ft. of either side of the outlet and downstream to the first falls; No limit on brook trout

River Regulations

Statewide regulations apply to all waters except:
A - Fly/lure only; All cutthroat must be released
B - 2 trout limit
C - 2 trout limit; No limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch, and crappie
D - Fly/lure only; All trout must be released; No limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch, and crappie

White River - Meeker to Utah State Line

Lake Regulations

Statewide regulations apply to all waters except:
Kenney Reservoir - No bag or possession limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch or crappie
Rio Blanco Lake - Minimum size for largemouth bass is 15 inches

River Regulations

Statewide regulations apply to all waters except:
A - 2 trout limit; No limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch, and crappie
B - No limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch or crappie
C - Fishing prohibited as posted, No limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch or crappie

TAYLOR CREEK, LITTLE - MONTEZUMA

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

TAYLOR PARK RESERVOIR - GUNNISON

- 1. Bag and possession limit for lake trout is 3. Only 1 may be longer than 26 inches.
- 2. Gaffs and tail snares prohibited.
- 3. Snagging kokanee permitted Sept. 1–Dec. 31.

TAYLOR RIVER - GUNNISON

FROM THE TOP OF TAYLOR DAM AND FROM THE DAM DOWNSTREAM FOR 325 YARDS:

- 1. Fishing prohibited as posted.

FROM A POINT 325 YARDS BELOW TAYLOR DAM DOWNSTREAM TO THE LOWER BOUNDARY OF TAYLOR RIVER STATE WILDLIFE AREA (APPROXIMATELY 0.4 OF A MILE):

- 1. Artificial flies and lures only.
- 2. Trout must be returned to water immediately.

TERROR CREEK, EAST FORK - DELTA

FROM THE HEADWATERS DOWNSTREAM TO THE CONFLUENCE WITH TERROR CREEK (INCLUDING THE UNNAMED TRIBUTARY BELOW TERROR CREEK RESERVOIR):

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

THOMAS RESERVOIR - BOULDER

- 1. Bag, possession limit and min. size for largemouth and smallmouth bass is 1 in the aggregate, 15 inches long.

THREE LAKES (LOWEST AND MIDDLE LAKES) - LAKE

MAP: PAGE 11

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

THREE LICKS CREEK - EAGLE

MAP: PAGE 15

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

THREEMILE CREEK - GARFIELD

MAP: PAGE 27

FROM THE CONFLUENCE WITH THE ROARING FORK RIVER UPSTREAM FOR 0.5 OF A MILE:

- 1. Fishing prohibited March 15–May 15 and Oct. 1–Nov. 30.

THURSTON RESERVOIR - PROWERS

NOTE: At publication, this reservoir is dry.

- 1. Trotlines and jugs permitted.

TIMBERLINE LAKE - LAKE

MAP: PAGE 11

- 1. Artificial flies and lures only.
- 2. Bag and possession limit for trout is 2.

TORSIDO CREEK - CONEJOS

MAP: PAGE 17

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

TOTTEN RESERVOIR - MONTEZUMA

- 1. Min. size for largemouth bass is 15 inches long.

TRAPPER CREEK - GARFIELD

MAP: PAGE 19

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

TRAPPERS LAKE - GARFIELD

MAP: PAGE 32

- 1. Artificial flies and lures only.
- 2. Bag, possession and max. size for cutthroat is 2, 11 inches long.
- 3. No bag or possession limit for brook trout.
- 4. Fishing prohibited in inlets and upstream for 0.5 of a mile.
- 5. Fishing prohibited within 100 ft. of either side of inlet streams.
- 6. Fishing prohibited within 100 ft. of either side of outlet and downstream to first falls.

TRINIDAD RESERVOIR - LAS ANIMAS

- 1. Min. size for largemouth, smallmouth and spotted bass is 15 inches long.
- 2. Bag and possession limit for walleye and saugeye is 5 in the aggregate.
- 3. Only 1 walleye or saugeye in the aggregate longer than 18 inches may be taken per day.

TROUT CREEK - RIO BLANCO, ROUTT

MAP: PAGE 35

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.
- 3. Bag limit for whitefish is 4.
- 4. Possession limit for whitefish is 8.

TURQUOISE RESERVOIR - LAKE

MAP: PAGE 11

- 1. Bag and possession limit for lake trout is 2.

TUTTLE CREEK - SAGUACHE

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

TWIN LAKES - LAKE

MAP: PAGE 11

- 1. Bag and possession limit for lake trout is 1. Lake trout 22-34 inches long must be returned to the water immediately.

TWO BUTTES RESERVOIR - BACA

- 1. Trotlines and jugs permitted.

TWO LEDGE RESERVOIR - JACKSON

- 1. Artificial flies and lures only.

UNCOMPAGHRE RIVER - OURAY

FROM OURAY CR 23 BRIDGE DOWNSTREAM TO RIDGWAY RESERVOIR:

- 1. Snagging kokanee permitted Sept. 1–Dec. 31.

FROM RIDGWAY DAM DOWNSTREAM TO THE FENCE JUST BELOW USGS GAUGE STATION:

- 1. Fishing prohibited except as posted.

FROM THE FENCE JUST BELOW THE USGS GAUGE STATION BELOW RIDGWAY DAM DOWNSTREAM TO THE CONFLUENCE WITH COW CREEK:

- 1. Artificial flies and lures only.
- 2. Trout must be returned to water immediately.

FROM THE RIDGWAY DAM DOWNSTREAM TO THE CONFLUENCE WITH THE GUNNISON RIVER:

- 1. No bag or possession limit for channel catfish, largemouth bass, smallmouth bass, northern pike, walleye, green sunfish, bluegill, bullhead, yellow perch or crappie.

UNION RESERVOIR (CALKINS LAKE) - WELD

- 1. Min. size for wipers is 15 inches long.

VALLECITO CREEK - LA PLATA, SAN JUAN

FROM THE HEADWATERS DOWNSTREAM TO THE SOUTHERN BOUNDARY OF THE WEMINUCHE WILDERNESS:

- 1. Artificial flies and lures only.
- 2. Bag and possession limit for trout is 2.

FROM THE SOUTHERN BOUNDARY OF THE WEMINUCHE WILDERNESS DOWNSTREAM TO THE LA PLATA CR 501 BRIDGE:

- 1. All kokanee must be returned to water from Sept. 1–Nov. 14.
- 2. Snagging kokanee permitted Nov. 15–Dec. 31.

FROM THE LA PLATA CR 501 BRIDGE DOWNSTREAM TO THE STANDING WATER LINE OF VALLECITO RESERVOIR:

- 1. Fishing prohibited Sept. 1–Nov. 14.
- 2. Snagging kokanee permitted Nov. 15–Dec. 31.

VASQUEZ CREEK, LITTLE - GRAND

MAP: PAGE 15

FROM THE HEADWATERS DOWNSTREAM TO THE DENVER WATER BOARD DIVERSION:

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

VASQUEZ CREEK, SOUTH FORK - GRAND

MAP: PAGE 15

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

VAUGHN RESERVOIR - RIO BLANCO

MAP: PAGE 35

- 1. Bag and possession limit for cutthroat is 2.

VIRGINIA GULCH CREEK, WEST - LA PLATA

- 1. Artificial flies and lures only.
- 2. Cutthroat must be returned to water immediately.

VIRGINIA LAKE - LAKE

MAP: PAGE 11

- 1. Artificial flies and lures only.
- 2. Bag and possession limit for trout is 2.

WACKER PONDS - MORGAN

- 1. Min. size for largemouth and smallmouth bass is 15 inches long.

WAHATOYA STATE WILDLIFE AREA - HUERFANO

- 1. Artificial flies and lures only.
- 2. Ice fishing prohibited.

WALDEN PONDS (EXCEPT WALLY TOEVS POND) - BOULDER

- 1. Artificial flies and lures only. Scented flies or lures must be 1.5 inches or longer.
- 2. All largemouth and smallmouth bass must be returned to the water immediately.

WALKER STATE WILDLIFE AREA - MESA

MAP: PAGE 19

- 1. Fishing prohibited Oct. 1–last day of Feb.

WALTON CREEK - ROUTT

MAP: PAGE 35

- 1. Bag limit for whitefish is 4.
- 2. Possession limit for whitefish is 8.

WANEKA LAKE - BOULDER

1. Min. size for largemouth and smallmouth bass is 15 inches long.

WASHINGTON PARK (LILY POND) - DENVER

1. Fishing open only to youths 15 or younger.

WATSON LAKE - LARIMER

MAP: PAGE 24

1. Min. size for smallmouth bass is 12 inches long.

WEST CREEK - MESA

FROM THE COLO. 141 BRIDGE DOWNSTREAM 5 MILES TO THE CONFLUENCE OF UTE CREEK:

1. Bag and possession limit for trout is 2.

WEST CROSS CREEK - EAGLE

MAP: PAGE 14

1. Artificial flies and lures only.
2. Cutthroat must be returned to water immediately.

WHITE RIVER - RIO BLANCO

MAPS: PAGES 32, 33

FROM THE CONFLUENCE OF THE NORTH AND SOUTH FORKS OF THE WHITE RIVER DOWNSTREAM TO THE COLO. 13 BRIDGE BELOW MEEKER (EXCLUDING THE SLEEPY CAT EASEMENT, WAKARA LEASE, AND THE MEEKER PASTURE STATE WILDLIFE AREA):

» | TROUT FAMILY

RAINBOW TROUT
Black spots on a light body, red stripe along sides

BROWN TROUT
Spotting pattern is made up of black spots; red-orange spots inside light blue circles

BROOK TROUT
Pectoral, pelvic and anal fins often orange, edged with black and white; body is dark with white and red spots inside blue circles

CUTTHROAT (NATIVE) TROUT
Crim son slash on either side of the throat beneath the lower jaw; heavier spotting towards the tail

LAKE TROUT (Mackinaw)
Has a white, irregular spot pattern on dark body; veriform markings over back and head; unlike other trout, they have a deeply indented tail fin

TIGER TROUT
Cross between a brown trout and a brook trout; pronounced stripes on body, resembling a tiger

» | PIKE

NORTHERN PIKE
Horizontal rows of light-colored round/oval spots, on dark background

TIGER MUSKIE
Northern pike and muskie hybrid; irregular, dark-colored vertical markings on a light background; long snout

» | BASS

SMALLMOUTH BASS
Upper jaw does not extend beyond eye; fish usually has vertical stripes along sides

LARGEMOUTH BASS
Upper jaw extends beyond eye; often has horizontal stripe extending the length of body

WIPER
Hybrid between white bass and striped bass

» | OTHER SPORTFISH

CHANNEL CATFISH
Barbels (whiskers); forked tail; sporadic black spotting

WALLEYE
Two separate dorsal fins; large, well-developed canine teeth; large eyes with milky irises; white-tipped tail

SAUGER
Spotted dorsal fin; no white tip on tail; darker color

SAUGEYE
Walleye-sauger hybrid with black mottling marks on body; black color between dorsal fins

YELLOW PERCH
Two separate dorsal fins; large vertical dark stripes on yellow sides

» | SUNFISH & CRAPPIE

GREEN SUNFISH
Olive-colored body with short, rounded pectoral fins with yellow trim

REDEAR SUNFISH
Similar to bluegill, but with dark colors on top and lighter yellow-green on the belly; males have cherry-red opercle (ear flap), females have orange

BLUEGILL
Opercle (ear flap) is dark to its edge and a dark blotch at the back of dorsal fin rays; small mouth

BLACK CRAPPIE
Black splotches on a silver body; dorsal spines and rays get longer as they approach the tail

WHITE CRAPPIE
Vertical bars on body; silver color with green or brown shades along back; dark bars along sides with a white belly

WESTERN SLOPE NATIVE FISH THAT MUST BE RELEASED

Anglers may possibly catch these species if fishing in the Colorado River Basin. These fish must be returned to the water unharmed as quickly as possible.

See page 6 for a full list of protected species to be released.

HUMPBACK CHUB
Green to silver and white with an abrupt hump behind the head

BONYTAIL CHUB
Slight hump and a long, narrow tail

COLORADO PIKEMINNOW
Adults may be green-gray to bronze on backs and silver to white along sides and bottoms

RAZORBACK SUCKER
Bronze to yellow fish with a sharp-edged keel behind the head

HOW TO SAFELY REMOVE HOOKS

Use a pair of forceps, long-nosed pliers or a purposely made hook-out to quickly, efficiently remove the hook. If the fish is hooked deep in the throat or stomach, cut the line as close to the hook as possible and leave the hook in the fish — it could do more damage trying to remove a deeply set hook than leaving it where it is.

» | HOW TO RELEASE A FISH

If you practice catch and release while fishing, follow these steps to ensure the fish returns to the water with minimal damage. Any fish you plan to release MUST be returned to the water immediately.

» **TIME IS ESSENTIAL.** Quickly play and release fish. A fish played for too long will be too exhausted to recover.

» **KEEP FISH IN THE WATER** as much as possible.

» **REMOVE THE HOOK AS QUICKLY AS POSSIBLE.** Single barbless hooks can often be removed while the fish is still in the water.

» **GENTLE HANDLING IS ESSENTIAL.** Avoid squeezing or putting your fingers in the gills or eye sockets. It's best to hold a fish gently by its belly or by the area in front of the tail.

» **TO REVIVE AN UNCONSCIOUS FISH** hold it upright in the water. Move the fish forward and backward so that water runs through the gills. This may take a few minutes. When it begins to struggle, release it.

» **WHEN PHOTOGRAPHING A FISH**, hold it horizontally and do not squeeze the fish. Do not put your hands in its gills or hold it vertical by its gills.

YOUR LICENSE DOLLARS AT WORK

THANK YOU,
HUNTERS & ANGLERS OF COLORADO,
FOR SUPPORTING COLORADO'S WILDLIFE & HABITATS

90
MILLION
sportfish

are hatched and stocked into Colorado waters annually. CPW's 19 state fish hatcheries and rearing units keep them healthy and plentiful.

PUBLIC FISHING ACCESS

to 2,000 natural lakes, 800 reservoirs and 9,500 miles of streams.

North America's Largest Elk Herd

is an estimated population of 264,000 animals. Maintaining the habitat and long term health of big game herds is a top priority for our staff and our dollars.

960

species call Colorado home.

CPW manages both game and non-game species, including those that are threatened and endangered.

DIVERSE HUNTING OPPORTUNITIES

70+ SMALL GAME SPECIES **10** BIG GAME SPECIES

BENEFITING WILDLIFE HABITAT

The funds provided by the Colorado Habitat Stamp are required by state statute to only be spent on wildlife habitat and access. CPW works with private landowners, local governments and conservation organizations to provide places for people to enjoy our wildlife heritage.

The dollars from your licenses are federally mandated to be spent on fish and wildlife management. This means your dollars are spent directly supporting what you love.

COLORADO PARKS & WILDLIFE

WARNING! DO NOT TRANSPLANT FISH

The unauthorized transplanting or stocking of fish into any body of water is illegal. This includes live bait or aquarium fish. It causes severe damage to public fisheries, harms the environment and is highly unethical.

THE PENALTIES INCLUDE:

- Significant fines, up to \$5,000
- Permanent loss of your hunting and fishing privileges
- Paying up to hundreds of thousands of dollars to reclaim the body of water
